

## **Guidelines for Public Comment**

Members of the public wishing to speak to the Board on items not on the agenda may do so under Public Comments. The Board does not take action on those items presented under Public Comments during this meeting. You may request a response, and one will be forwarded to you.

If you wish to speak, you may do so upon receiving recognition from the Board President. Comments are limited to three (3) minutes. With Board consent, the President may increase or decrease the time allowed for public presentation, depending on the topic and the number of persons wishing to be heard. The President may take a poll of speakers for or against a particular issue and may ask that additional persons speak only if they have something new to add.
