

UNIFORM COMPLAINT PROCEDURES

- A. The Extended Child Care (ECC) Board of Directors recognizes that each site including the ECC Office has primary responsibility for ensuring that it complies with state and federal laws and regulations governing educational programs. The agency shall follow uniform complaint procedures when addressing complaints alleging unlawful discrimination, based on sex, sexual orientation, gender, ethnic group identification, race, ancestry, and national origin, religion, color, mental or physical disability, or the failure to comply with state or federal law in childcare and development programs, child nutrition programs and any other funded programs.

The Board encourages the early, informal resolution of complaints at the site level whenever possible.

Upon receipt of a written complaint from an individual, public agency or organization, uniform complaint procedures shall be initiated. The Executive Director or designee shall distribute full information about these procedures.

- B. The ECC Board recognizes that a neutral mediator can often suggest an early compromise that is agreeable to all parties in a dispute. In accordance with uniform complaint procedures, whenever all parties to a complaint agree to try resolving their problem through mediation, the Executive Director or designee shall initiate a mediation process before beginning a formal compliance investigation. The Executive Director or designee shall ensure that mediation results are consistent with state and federal laws and regulations.
- C. The ECC Board of Directors prohibits retaliation in any form for the filing of a complaint, the reporting of instances of discrimination, or for the participation in complaint procedures. Such participation shall not in any way affect the status or work assignments of the complainant.
- D. The ECC Board acknowledges and respects student and employee rights to privacy. Discrimination complaints shall be investigated in a manner that protects the confidentiality of the parties and the facts. This includes keeping the identity of the complainant confidential except to the extent necessary to carry out the investigation or proceedings, as determined by the Executive Director or designee on a case-by-case basis.
- E. The Executive Director or designee shall ensure that employees designated to investigate complaints are knowledgeable about the laws and programs for which

they are responsible. Such employees may have access to legal counsel as determined by the Executive Director or designee.
